

To Whom It May Concern,

I am pleased to offer my highest recommendation for Dan, a dedicated and compassionate mental health counselor. As his clinical site supervisor at Southwest Behavioral and Health Services, I have observed that Dan consistently demonstrates a strong commitment to his clients, offering both empathy and support in ways that make a lasting impact. His willingness to go above and beyond to ensure the well-being of those he serves is a testament to his character and professionalism.

Dan is also a lifelong learner who actively seeks out new knowledge and techniques to enhance his practice. He consistently does his research to stay informed and is always eager to apply what he learns in a meaningful way. His dedication to personal and professional growth is inspiring.

In addition to his exceptional skills as a counselor, Dan is a fantastic team player. He collaborates seamlessly with colleagues, offering support and insight, and always maintains a positive, solutions-oriented attitude.

I have no doubt that Dan would be an asset to any organization or team, and I wholeheartedly recommend him.

Sincerely,

Candy Blomgren
